To Whom It May Concern:

Choice Christian Greetings!

It is our privilege to recommend Church Consulting Services for your financial needs. Marv Hoeflinger and his associates were instrumental in saving First Assembly thousands of dollars in the financing of our building project. What sounded like a dream deal quickly became a reality as banks and financial institutions competed for our business.

From start to closing, Church Consulting Services provided professional care and assistance in obtaining the financing we needed for our new sanctuary and high school. We would highly recommend that you allow Church Consulting Services to do the same great job for you that they have done for First Assembly.

In His Service,

Randy Vallmont
Senior Pastor
