Dear Mr. Hoeflinger:

Greetings to you in the Majestic Name of our Lord and Savior, Jesus Christ.

First, let me commend you on the services offered by your company. There are very few organizations, which cater to and understand the needs of ministries and mission work. Even those companies, which provide services to ministries, few of them operate at the level of excellence as your company.

Mr. George Lock, a representative of your company was of great service to our ministry. His diligence in arranging the \$2.0 million refinancing package and ensuring that the process was effortless was second to none. Mr. Lock was very informative, he provided us with options and information that not only allowed us to make informed decisions, but also provided us with options which best suited the needs and the structure of our ministry. Thanks to Mr. Lock, we were able to make decisions that will have a great benefit and impact in our ministry in the long run.

Please know, that I would fully recommend your company to any organization or ministry that desires to work with a company dedicated to meeting the needs of churches. I am confident that any organization would benefit greatly from your expertise and experience.

Thank you for helping our ministry "*spread the gospel to the ends of the world*". Continue to do all you do in the name of the Lord.

In His Service,

Pastor Roosevelt Carter, I
Senior Pastor
