Dear Mr. Hoeflinger:

I would like to express my gratitude to you for the excellent work your company, Church Consulting Services, did to enable us to receive such favorable financing for our church.

This new financing package has allowed us to do additional construction to our facility, and purchase a 10,000 sq. ft. building on ten acres. We actually have monthly payments that are lower than they originally were! What a blessing you have been to our church. One man has estimated that over the life of the loan, more than 2 million dollars will be saved to use for the work of the Lord in other areas of ministry. Grateful, happy and very pleased are only a few words that describe our feelings.

Thanks so much to you and your staff for a job well done!

In His Service,

Dr. Russell Eggert  
Pastor
